NEW DELTAS

The following girls have been added to the Delta 1981-82 roster during the past week:

Patricia Daughtrey
Rosalie De Matteo
Jeanett Jefferson
Linda Vela
Mikaela Wofford

Thank you, girls, for your promise of service to MSMC-Doheny.

FROM THE OFFICE FOR STUDENT DEVELOPMENT:

Fleur de Lis Ball:

The annual all-college Fleur de Lis Ball will be held on Saturday, Oct. 17, at the historical Bradbury Building. The evening's festivities will begin with a buffet supper at 8p.m. and continue with dancing until 12 midnight. Bids now on sale in ASB office -- see Beth Villacorte. Only \$35. a couple for a lovely night in a turn-of-the-century setting. Join us!

Yearbook "Interest" Meeting: a meeting will be held on Tuesday, Oct. 13 at 12 noon in the ASB office (office 3, bldg. 4) to discuss "interest in" a yearbook for this year. IF you are interested in having one and IF you will work on it, please plan to be there. A definite decision must be made. Bring your lunch if you wish.

Picture Taking Schedule: Again this year, Bill Christy from the Portrait Gallery will be on campus to take pictures of the Graduates, various clubs, activities, etc. The dates are Monday - Oct. 19, Tuesday - Oct. 20, Wednesday - Oct. 21.

Graduates: Beginning at 10 a.m. until 4 p.m. on Tuesday and Wednesday, Mr. Christy will be available for your pictures in the Lecture Hall. You must have an appointment, so sign-up sheets will be available on the "Forward Look" board in Bldg. 4. Be sure you sign up and that you are prompt for your appointment. There is a \$5. sitting fee payable at that time to The Portrait Gallery. (For these pictures, which may be ordered for personal use, you may wear cap and gown (provided here), nursing uniform (cap and pin provided), or street clothes.)

Clubs/Organizations: You will be notified of time for your pictures, but most likely these will be on Monday. If you do not hear, and would like a group picture, please notify Office for Student Development.

Reminder: Some students have not taken care of the Insurance Waiver or payment needed for the academic year. If you have not handed in the form, or if you need one, please come by the Office for Student Development soon.

AND... I feel the need to make a personal comment at this point in time. As you know we had an opportunity this past week to attend a taping at ABC. Sign-up lists were available, and a group of approximately 35 (the number requested by the studio) was accounted for. However, only 16 of those students arrived. REMEMBER: If you ever sign up for something and cannot attend, it is your responsibility to notify the people who organized it. It was not only disappointing to us, but also embarrassing to have a large bus come and pick up only a group half the size we expected. A word to the wise should be sufficient.

Sister James Marien

DOHENY HAPPENINGS

All material for Doheny Happenings should be submitted by 12:00 noon on Tuesday. A box for copy has been placed on the counter just inside the Registrar's Office to the right. Copy should be typed, dated and signed by the person responsible for submitting it.

During the two-week period--October 30--the Unsatisfactory Work Notice forms can be picked up in Peggy Barsamian's office, Bldg. #7. Each instructor is asked to make an appointment and discuss the notice with any student having a "D" or an "F" grade at this mid point. NOISE, NOISE, NOISE!

We are very grateful to all of you--students, faculty, staff--for your patient endurance of the noise and the inconvenience of having our road and walkways torn-up. (The workmen were very impressed with your cooperation.) The repair work was critical for our safety. The estimates were taken last April, and the work was to have begun on August 1--well in advance of the beginning of classes. However, due to unforeseen circumstances within the company the work was delayed. . .and. . .you know the rest. Thank you.

FROM THE OFFICE OF CAMPUS MINISTRY

The retreat at Big Bear last weekend was a tremendous success. Forty retreatants from both campuses came together to share this unforgettable experience. The crispness of the mountain air and the flow of the weekend set by the staff added a special touch. We thank all the Doheny students who participated and invite others to the next retreat weekend which is scheduled for March.

We will be having a mini-retreat from 6:30 p.m. to 9:00 p.m. on November 9, in Bldg. #7. This could be a quiet moment to relieve you from a busy schedule and give you time to reflect on the happiness and blessings of the present school year. If you are interested, please contact Susan Van Buren.

Please remember that Mass will be celebrated each Monday at 12 noon in the Pompeian Room. We welcome all to come and join together in prayer at this time.

RE: Procedure in Case of a Major Fire or Earthquake.

WHAT TO DO IN CASE OF FIRE:

1. At the first indication of a fire, call the switchboard from the nearest inter-campus phone. Be sure to give exact location of the fire. Do not try to fight a major fire by yourself.
2. When notified to evacuate the buildings, do so immediately.
 - A. Bring your purse and car keys.
 - B. Bring a coat or sweater if you have one with you.
 - C. Rooms and offices should be left as follows:
 - lights on
 - all doors closed and unlocked
 - all windows closed
3. To evacuate the buildings, use the stairway nearest you. If any stairway is blocked, use the one easiest of access.
4. After leaving the building, proceed immediately to the street. You will receive further directions when you arrive there. DO NOT TRY TO LEAVE THE CAMPUS until you are authorized to do so.

WHAT TO DO IN CASE OF AN EARTHQUAKE:

The following instructions are for moderate, major or great earthquakes.

1. Inside any buildings--get into a corner doorway, under a table, desk or bench. Stay away from windows, overhead lights, glass doors, outside walls, or anything made of brick or stone. If you can't walk because of the shaking, then crawl on all fours. Watch for falling objects, such as ceilings, light fixtures, etc.
2. DO NOT TRY TO LEAVE BUILDING DURING THE QUAKE. Stay put until the building stops shaking--then find a safe way out. If the lights are out, take a flashlight with you. Once outside, proceed to the street or to any area that is open and away from buildings which could fall on you.
3. If you are outside, remain there.
4. Stay outside until you receive directions to return to where you were. Once you are back inside, remember that there are usually several aftershocks, and although the intensity of these is less than the original quake, damage may still occur. Watch for falling objects and broken glass.

WHAT STAFF SHOULD DO AFTER AN EARTHQUAKE:

- 1) Check for injured persons and, when necessary, provide first aid. If anyone is seriously injured, don't move them unless there is danger of their being injured more severely.
CALL FOR HELP(PARAMEDICS) - 483-6721)
- 2) Check for fires in the building, and any situation that could lead to a fire. If you smell something hot or burning, check it out carefully.
(FIRE DEPT. - 493-6721
- 3) Check the utilities and shut the gas off ONLY if there is a sign that it is leaking. If you can't smell gas or hear it leaking, assume it is all right. If gas is, or was, leaking make sure there is no smoking or use of electrical appliances in the area to avoid fire.
- 4) If there are any water pipes damaged, turn off the main valve.
- 5) If there are any exposed wires or evidence of wires being shorted out, then turn off the electricity at the main box.
- 6) Check to be sure sewage lines are not damaged before using toilet facilities.
- 7) If you see that utilities outside the buildings are damaged (e.g. - fallen wire), contact the authorities.
(DEPT. OF WATER AND POWER - 481-4211)
(SO. CAL. GAS CO. - 620-1440)
- 8) Don't enter any damaged building unnecessarily until you have assessed the situation. Allow no one in the building if you do not think they are safe.
- 9) Listen to the radio for official reports, information and instructions. Do not allow anyone to use the telephone except for reporting emergencies.

PARKING
REGULATIONS

The policy of the College is that all automobiles on the Campus must be clearly marked as a "Visitor" or as a registered vehicle to be allowed to park legally on the grounds of either of Mount St. Mary's College Campuses. To be registered, the owner of a vehicle must fill out a registration form and receive a decal.

Visitors should receive a visitor's permit card either from the department with whom they are visiting or from the Switchboard at either Campus. If a visitor blocks a car in any way, it is required that the car keys be left with the switchboard attendant so that the automobile may be moved if necessary.

Persons who visit the Campuses regularly for work or class must have a valid decal or are subject to parking tickets and possible tow-away. The appropriate decal, together with a list of the approved areas for faculty, students, car-pools (Chalon Campus only), administrators and staff is available in the Buildings and Grounds Office on the Chalon Campus and at the Switchboard in Number 8 on the Doheny Campus. The color of your decal designates the appropriate allocated parking area. For example, no student cars are allowed to park behind the Mary Chapel between 7:00 a.m. and 5:00 p.m..

It should be clearly pointed out that cars parked in "Red Zones" and "No Parking-Tow Away" areas are in direct violation of the College regulations and prove a hazard to all personnel in the event of an emergency or interfere with the smooth functioning of the College's operations. For this reason, cars illegally parked are subject to be towed away without warning.

Please make it easier on everyone and observe all of the parking regulations at all times. Your cooperation is much appreciated.

DOHENY OPEN HOUSE
FEBRUARY 21

OUR UPCOMING OPEN HOUSES WILL TAKE PLACE ON SUNDAY, FEBRUARY 21 FOR THE DOHENY CAMPUS AND SUNDAY, FEBRUARY 28 FOR THE CHALON CAMPUS.

These two days have been designed to introduce our guests to our administrators, departmental chairmen, program directors, faculty and of course our students. Our guests will have an opportunity to learn about the many services and activities for our students. Information will be given on financial aid and parents will be given the opportunity to discuss specific questions and concerns relating to college life.

If you have friends who are interested in Mount St. Mary's, this is a perfect day to invite them to experience the College for themselves. If you would like to participate in any of the activities planned for our guests, stop by the Admissions Office. We welcome your involvement!

FROM THE OFFICE FOR STUDENT DEVELOPMENT

WELCOME FOR THE SPRING SEMESTER -- to those who are returnees and to those who are new to the Doheny Campus !

Reminders: If you need the services of the Student Development area, we are located in office 2 of building 4. Also, be sure to check the 24-Hour Board daily for messages and important notices -- as well as all the bulletin boards on campus. These are meant to be our communications system and only work if we use them.

DELTAS:

All requests, questions, etc. concerning the Deltas, our Doheny Service Organization, should be directed from now on to the Student Development Office.

A meeting of all active Deltas, and anyone wishing to join the group for the second semester, will be held on Wednesday, Feb. 17 at 12 noon in room 101. Please be there! If it is somehow impossible, please notify Sr. James Marien in person.

LOVE, SIDNEY!

This new NBC comedy is currently filming 7 episodes on the West Coast. We have been able to reserve 20 seats for the taping on this Friday, Feb. 12. We are to be there by 2:30 p.m. at Gate 2, Stage 9 of the Burbank Studios. NBC does not provide a bus, so we will have to arrange car pools.

If you want to attend, please sign up in office 2. It is imperative that everyone who signs, actually attends -- unlike what some of you have done in the past for TV tapings. Therefore, please think in advance and be sure you can go!

I.D. PICTURES:

New students and those who didn't get their I.D. cards in the Fall, should be aware that we will be taking pictures this week (Mon.-Wed., Feb. 8-10) from 9am to 12 noon in the ASB office. This is the only time the cards will be given during the Spring semester, so be sure you get yours now!

NEW STUDENTS:

For all of you who are new to the Doheny Campus, we will have a short get-together on Wednesday, Feb. 10 at 12 noon in Building 4, room 101. Please join us if you can -- feel free to bring your lunches, and also any questions you have about Doheny. See you then!

**LECTURE ON ETHICS
SCHEDULED**

Sister Miriam Therese Larkin, professor of religious studies at Mount St. Mary's College will discuss "Ethical Issues in Health Care" February 11, 1982, 7:30-9:30 at the Doheny campus. FROM THE LEARNING RESOURCE CENTER

The staff of the Learning Resource Center wish to thank all who gave us "feed-back" on the evaluation to which you responded at the end of last semester. One suggestion for the improvement of the services was a request for weekend usage. You may work in the Center on weekends if you make arrangements with St. Margaret Clare to do so a couple of days in advance. We hope this will satisfy your need.

FROM THE OFFICE FOR STUDENT DEVELOPMENT

YEARBOOK ALTERNATIVE:

As you are aware, the yearbook was cancelled this year due to a lack of volunteers to work on it. However, the representative of the Yearbook Company has volunteered to put together a Memory Book, including pictures of the Graduates (those taken by The Portrait Gallery) and other events from the year.

Before we venture into this, however, I want a firm commitment from those who would purchase such a book. It would cost approximately \$6-\$7.

If you are interested, please sign list at office 2.
Volunteers to sell the books when the time comes are also
needed. Please designate that on the same list.

GRADUATION and AA HOODING COMMITTEES:

Believe it or not, the time is fast approaching for the
special "end-of-the-year" activities honoring the Class of '82.
We want to make this graduation the best ever, and to do this
we need volunteers -- from both the second and first years --
for the various committees now being formed.

CORE COMMITTEE: This group represents both campuses and is composed of
students, faculty and administrators. Meetings are
generally in the evenings and alternate campuses if poss-
ible. The work of this committee revolves around the
All-College Graduation -- includes information distri-
bution, honor guard, student speakers for the ceremony, etc.

AA HOODING AND AWARDS CEREMONY COMMITTEE: This group represents only the
Doheny campus and is composed of students, faculty and
administrators. Meetings will be at the Doheny Campus and
are arranged around the schedules of those involved. The
work of this committee revolves around the ceremony and
reception taking place on the Doheny Campus.

Applications are available outside of office 2, bldg. 4. If you are inter-
ested in any facet of the planning and carrying out of the "end-of-the-year"
activities, please pick one up and return it to the indicated box by
Friday, March 5. Any questions should be directed to Sister James Marien.

Any member of the Faculty or Administration interested in serving on these
committees should also contact Sister James Marien by Friday, March 5.

Thank you in advance for your generosity. As the main committees are formed,
we will be asking for additional help, so keep alert to announcements.

FROM THE FINANCIAL AID OFFICE:

Please finalize any questions you may have regarding financial aid this
week, March 1 - 5. Sister Mary Murphy will go on retreat beginning March 9th and then par-
ticipate in a Financial Aid Internship at the University of San Diego until April 30th.

Please read the following if you have any form of financial aid and please
keep for reference.

Beginning March 8th, please call Beverly Porter at the Financial Aid Office
at Chalon for any problems. (476-2237, Ext. 203/210). Beverly Porter will also be on the
Doheny Campus in the Financial Aid Office Tuesdays and Thursdays from 9:00-4:00 during
Sister Mary Murphy's absence.

C-W-S

If there are any problems regarding on - campus jobs, please call Sister
Jeanne Anne - 476-2237, Ext. 231. Students having on - campus jobs (CWS) are to bring their
time cards to Martha Gutierrez at the receptionist's desk in Bldg. #7 on Fridays before
12:00 noon. Please claim payroll checks on alternate Fridays from Martha.

CAL GRANTS

Students who presently have Cal Grants A and B should be receiving renewal forms in the mail. These renewal forms and supplements are to be mailed by March 26th.

FINANCIAL AID FOR 1982 - 1983

The Chalon financial aid office will be requesting 1040 forms for 1981 from you in order to prepare your file for the 1982-1983 financial aid cycle. They will also request three copies of the PELL Grant (BEOG) Eligibility Report as soon as you receive them in the mail. You may either mail these forms to the Chalon financial aid office or you may bring them to Martha Gutierrez in Bldg.#7, who will forward these forms to Chalon on a daily basis.

We will begin the 1982-1983 Financial Aid Award Cycle on May 1, 1982. Your financial aid file must be complete before awards are made.

DATELINE

March

15 Monday Jubilee Celebration honoring Sister Imelda, Sister Mary and
 Sister Katie, 12 noon, Pompeian Room.

FROM THE OFFICE FOR STUDENT DEVELOPMENT:

Let's Celebrate!

On Monday, March 15, all faculty, staff, and students are invited to join in a Mass of Celebration honoring Sister Imelda D'Agostino, Sister Mary Murphy, and Sister Katie O'Shea on their Silver Jubilees as Sisters of St. Joseph of Carondelet. The Mass will be followed by a luncheon for all those in attendance. Please join in the festivities celebrating a total of 75 years of service given by these Doheny Sisters.

Red Cross is Coming!

The American Red Cross is planning to hold a Blood Drive here on the Doheny Campus in late April. Volunteers are needed now to take care of publicity and recruitment for this worthwhile cause. If you would like to join in the Volunteer Corp, please come by Office #2 and sign up this week. More information on date, time, and place will follow.

Chaplain on Campus!

For those of you who haven't noticed yet, our College Chaplain, Father Sylvester Ryan, has returned to Doheny. Father celebrates the noon Mass on Monday in the Pompeian Room, and then will be available on campus for an hour or so after the Mass. Father has decided to locate himself in Carondelet Center so that he can meet people on a more casual basis. Anyone who wishes to see Father privately can make an appointment with Father himself or through the Office for Student Development. We will see that Father gets his messages.

Keep Aware!

It seems that some people are becoming a little lazy about reading the Doheny Happenings and checking the various bulletin boards on campus, especially the 24 Hour Board. These are meant to keep everyone in touch with what is going on and are our chief vehicles of communication. However, if you don't use them regularly, they are worthless. Please be sure to pick up the Happenings and check the boards. You just might be missing some important news!

From here, Sergia's papers will be forwarded to Sacramento for the state competition. Congratulations to Sergia and to her business instructor, Sister Elizabeth Anne Malone. By the way, this is the third consecutive year that one of Sister Elizabeth Anne's students has won the regional contest. The preceding two students took the state award. We wish that Sergia will make it three-in-a-row.

NOTES ON
SIENA DAY
THEME

In keeping with the theme of Siena Day 1982, I'd like to provide you with the following information: "Women's Colleges--Weathering a Difficult Era with Success and Stamina" is an article providing details of a study by the Women's College Coalition which profiled the total set of women's colleges. The following data were reported:

LEADERSHIP: Sixty-six% of all women's college presidents are women, compared to 8% nationally.

FACULTY: Women faculty at women's colleges are well-represented at all ranks, accounting for 55% of the total faculties, 43% of all full professors (vs. 25%, 11%, and 19% respectively of the professorates at other 4-year institutions).

STUDENTS: Freshman women at women's colleges are ambitious and are nearly twice as likely as freshman women in general to plan to become physicians, lawyers, or Ph.D.'s.

Freshman women at women's colleges are entering new fields and are more than twice as likely as freshman women in general to plan majors in economics, biology, chemistry or other life sciences.

And there's lots more! There will be more information printed in subsequent bulletins, but to get the whole story including our distinguished guest panelists as well as what your fellow students think, come to Siena Day '82.

CALIFORNIA FREEZE
INITIATIVE

On March 12, at 12noon, there will be a film presentation on nuclear war. This presentation will certainly be an enlightening experience about a subject that affects us all. There will also be a petition to sign which is trying to stop the Nuclear Arms Race. If you are interested, please stop by the Lecture Hall in Bldg #4. Posters will be put up to remind you of the date and time.

GOAL II - STRENGTHENING
COMMUNITY RELATIONS

Emelyn Arguelles and Felicia Lourito represented the college at United Way's recent Western Region Campaign Recognition Breakfast. Mount St. Mary's received a bronze award plaque (currently on display in the lobby of the Chalon administration building) for increasing our contribution in 1981.

INTERESTED IN
A PARENTING GROUP?

Notice to students with children and prospective parents!!
Would you be interested in participating in a "parenting" group here on campus? The group could meet one day a week or once every two weeks for about an hour. If you are interested, please fill in the information below, cut off this slip, and place in my box in Building #10.

MID- SEMESTER

Beginning with this week of March 22, all instructors are asked to make appointments with students in their classes whose grade at this mid-point would be lower than a "C". (Forms may be obtained from the Secretary's office, Building 7). Students should cooperate in this very important part of our support system which enables them to work out with instructors what must be done in the remaining two months to improve their class standing and insure an acceptable final grade. (If you are in doubt about your class standing and do not receive a notice, please contact your instructor.)

Sister Marie Loyola, Dean

FROM THE OFFICE FOR STUDENT DEVELOPMENT:

THANK YOU! THANK YOU! - Thanks to all who worked on, and attended, this year's Spring Fair. Everyone seemed to "weather the storm" and come through with a smile! Thank you for your patience and adaptability!

Special Thanks go to Susan Van Buren for all of her work this past week on the Mass for our Sister Jubilarians, as well as all the posters for the Mass and the Spring Fair. Susan worked above-and-beyond the call of duty. We all thank you, Susan!

RAGTIME REVUE - The students at Chalon, together with some of our Doheny own, will be presenting MSMC Annual Spring Sing on the weekend of March 26, 27, and 28. It will be held in the Little Theater on the Chalon Campus. Performance times are 8:00 p.m. on both Friday and Saturday, and 2:00 p.m. on Sunday. There is no admission charge; seating will be on a "first-come-first-served" basis.

We are thinking of reserving a block of seats for Doheny at the Friday night performance. If anyone is interested in joining this unique theater party, please sign the list outside of office 2. We will try to arrange carpools.

It promises to be a lot of fun -- with singing, dancing, and an abundance of laughs. Come if you can!

1982 GALA AUCTION - On Saturday, April 2nd, a Gala Auction will be held on the Chalon Campus. The evening of fine food, exciting "silent" and "open" auction items, good conversation, and great fun is the first major student fund-raiser Chalon students have ever attempted.

This event is for the entire Mount Community so if your family would be interested in attending, invitations are available in the Student Development Office here. All students who would like to hostess and display auction items are welcome; please contact Sister James Marien.

GOING TO CHALON NEXT FALL? - Those students who are planning to attend the Chalon Campus in the Fall, and who are interested in housing on-campus, should be aware that the Chalon Business Office will begin accepting the \$75. room deposit on Monday, March 29th. This fee is the reservation for a room/bed next year and does not involve placement at this time. Later dates will be printed in this bulletin. If you have any questions, please see Sr. James Marien. SIENA DAY

WHAT HAPPENED??? Well, we've decided to tell you! The results of the Siena Day questionnaire were as follows:

1. Why did you choose to attend a women's college?

#1 answer was "has a program I wanted"

#2 answer was "good academic reputation"

#3 answer was "individualized attention"

2. Are you familiar with studies that have been made regarding the value of women's colleges?

Definitively, no.

3. What values have you experienced in attending a women's college that you would not have experienced in a coed institution?

"Deeper interpersonal relationships" and "Elevated worth of self as a woman" were the most popular answers.

4. What questions/issues concern you most that you would like the panelists to address?

There were many good answers to this question, but the most popular ones were:

- a. Advantages/Disadvantages of a women's college.
- b. Importance of a women's college.
- c. Discussion of the studies regarding the value of women's colleges.
- d. Opportunities for graduates of women's colleges.
- e. Effects of attending a women's college on students.
- f. Variety/Lack of extra-curricular activities at women's colleges.

We're planning on using some of these issues in the panelists discussion. Come hear the answers and learn something new. SIENA DAY '82!!

SISTER MAGDALEN HONORED

Last Thursday, March 25, Sister Magdalen Coughlin, our President, was honored at the eighth annual Leadership Luncheon sponsored by the YWCA of Los Angeles. Each year the silver Achievement Award goes to eight women who have made outstanding contributions in various categories--one of which is "Professions," which includes education. We are very happy that others besides ourselves recognize our President's outstanding leadership in higher education. Congratulations, Sister Magdalen!

Sister Marie Loyola and Sister James Marien represented Doheny at the Leadership Luncheon.

OUR SYMPATHY

We of the Doheny Campus community extend our prayers and sincere sympathy to Dr. Hope Fitz, philosophy instructor, and to her family on the recent death of her husband.

SUPPORT SYSTEM INCLUDES REPORT AT MID-TERM

At mid-term the Doheny A.A. program offers an "early warning system" for students who have less than a "C" average. Faculty members note the reasons for the grade on a special form; copies go to the student, to the advisor, and to the Dean.

PHONE CALLS

We have a notice from the Business Office that many toll telephone calls are not being recorded. All staff and faculty making toll calls are asked to fill in the forms--obtainable at the switchboard--and turn them in to the Business Office. (The alternative would be to have all toll calls go through the switchboard operator.)

FROM THE OFFICE FOR STUDENT DEVELOPMENT:

RED CROSS
BLOOD DRIVE

The Student Development office is sponsoring a Blood Drive here on campus on Wednesday, April 28, from 9:30 a.m. to 2:15 p.m. We are still in need of several volunteers to help us either prior to the event with advertising and recruiting, or on the day itself in the canteen and donor area.

A meeting of all interested in volunteering some time for this worthy cause will be held on Wed., March 31, at 1:30 p.m. in _____. Please drop by Office 2 before Wednesday and sign up on the volunteer sheet -- we need you, so please be generous with your time!

GRADUATION
COMMITTEE

The Graduation Committee for 1982 has been organized and the first "two-campus" meeting was held on Thursday, March 25. The representatives from Doheny on the Core Committee are Patricia O'Neil, Susan Van Buren, and Deborah Jauregui.

The A.A. Hooding and Awards Committee has also been organized and will be holding their first meeting next week. The members are: Anna Chambers, Judith Hensel, Maria McMahon, Patricia O'Neil, Yvette Perez, Susan Van Buren, Patricia Daughtrey, Deborah Jauregui, Jeanett Jefferson, Carol McClendon, and Mikaela Wofford.

Thank you to all of these students who have volunteered their time to work on the committees for the "end-of-the-year" activities. We welcome the input of any other students. Such can be channeled through the Student Development Office.

More information will be forthcoming for the Graduates concerning times, locations, etc. Please keep your eyes open and be sure to read bulletin boards and the Doheny Happenings.

CHANNEL 4
"ON CAMPUS"

KNBC, on Saturday, March 27, from 3-3:30 p.m., is scheduled to feature two components of Mount St. Mary's health sciences program-nursing and respiratory therapy.

The nursing segment will include interviews with Sister Callista Roy and Marjorie Dobratz, plus two students who are now nursing majors at Chalon. Both Elodie Cassidy and Pam Foley are already RN's, with an associate degree from Doheny; and Elodie also has a bachelor's in human development from UC-Davis.

The respiratory therapy will include administrators from the neo-natal facility at Tarzana Medical Center (where the segment was videotaped), MSMC program director Joan Laskey, Anna Chambers-a second year student at Doheny, and Diane Rivas-Doheny graduate now employed at TMC. Diane is also currently enrolled in the pre-med program at Chalon, while she uses her marketable RT skills to finance her way.

Channel 9 "Youth & the Issues":
Early morning programs on KHJ-TV are now featuring Darlene Ridill-Marada, Lisa Gritzer, Lisa Kirchen, and Michele Boileau. Check your television guide for "Youth & the Issues"-Sundays, Mondays, Tuesdays.

SIENA DAY
NOTES

IS A WOMEN'S COLLEGE RIGHT FOR YOU? 6 WAYS TO TELL.

Despite what many people think, applications to women's colleges are up for the fifth year in a row--a sign that although the number of women-only schools has declined in the past few years, more and more students are deciding that a single-sex institution best fits their academic and professional plans. Here are two reasons that one might want to consider a women's college:

1. A higher percentage of women on the faculty.

At most women's colleges, close to half of the tenured professors are female--an astounding figure compared to coeducational institutions where women hold 16.5 percent of the teaching positions. What difference does this make for students? Several studies have found that a high ratio of women faculty is good for women students: They are likely to feel more satisfied with courses because female faculty support and encourage their efforts and give them better career direction.

2. Innovative professional courses and curriculum.

Although a number of liberal arts colleges are introducing more "practical" academic programs, many women's colleges are making special efforts in this area.

One of the more successful programs is the Administration and Legal Processes Program at Mills College in California. Students who have taken this liberal arts major have the opportunity to intern with San Francisco-area corporations, government agencies, law firms, health care groups and non-profit organizations. Seventy-six percent of those who have majored in this program have gone on to corporate jobs, management training programs, business and law schools.

The other four reasons will be mentioned in later bulletins. This information was taken from an article in Glamour magazine November 1979. Dr. Chandler, president of Scripps College in Claremont, Mary Metter, President of Mills College in Oakland, and Sister Magdalen Coughlin, President of Mount St. Mary's College will be our guest panalists at Siena Day. Come to find out more about what women's colleges have to offer.

DATELINE Please pay particular attention to the dateline announcements. Each one indicates an important event or deadline.

FROM THE ASB OFFICE:

ATTENTION! IMPORTANT!

This is to officially notify you that Campaign Week (originally scheduled for April 19-23) has been cancelled. The reason for this is that not all offices has a candidate and that none of the candidates had opponents.

THEREFORE: Due to this fact, the current ASB officers and Sr. James Marien have decided to propose a change in government structure and elections for the Doheny Campus. We met with the candidates, explaining the process to them and it seemed agreeable.

Now, we need to check with the entire Student Body. Therefore, on the days originally slated for elections, April 27-28, we will hold a referendum (the submitting of a proposed change to the direct vote of the entire student body). At that time, we will ask each of you to vote on the proposed change, and on a proposal making the eight ASB candidates

a Board to govern the Doheny Associated Student Body in the Fall.

Undoubtably, there will be questions in your mind as you read this. We will be submitting to the Doheny Happenings a copy of the proposal so you will have a chance to study it before voting. If you have questions, please direct them to any of the current ASB Officers or Sr. James Marien.

For your information, the eight candidates and proposed Board are:

Patricia Daughtrey	Ester Ketenchian
Darene Hall	Isabel Perez
Deborah Jauregui	Maria Villareal
Jeanett Jefferson	Maria Zarate

We thank them for their concern and involvement, demonstrated by their desire to run for office. We are sure they would appreciate your support on April 27-28 at the Referendum!

FROM THE OFFICE FOR STUDENT DEVELOPMENT:

"El Salvador: Another Vietnam" - We are extremely fortunate to be able to show on campus this Academy Award Nominated film on Tuesday, April 20, at 12:30 pm in the Lecture Hall. Carlos Ugalde from the Ethnic Studies Dept. at Glendale City College, will be our guest and a question/answer period will follow the film. All are encouraged to attend, not only to see this worthy film, but to be informed on the story of El Salvador. Thanks go to Ingrid Loew for arranging this presentation. Please support it.

"Candidates Night On Campus" - on Thursday, April 22, the L.A. Collegiate Council of which the Mount is a part, will be sponsoring a Candidates' Night here at Doheny. Beginning at 6:30 pm in the Lecture Hall, several candidates seeking city and state office in the November election will be present to give their views and answer questions from voters. Plan to attend to meet the Candidates and support this effort of the colleges involved. A list is not yet available of those coming, but favorable word has come so far from Mike Curb and Tom Hayden.

Red Cross Blood Mobile - The Red Cross will be right here on campus on Wednesday, April 28, from 9:30 am to 2:30 pm. The worthwhile work this group does is known to all of you, and now its your chance to help. Please come by office 2 or respond to our volunteers when you are asked to give. We will be taking appointments so that you can come when most convenient - and not wait in lines. We will be set up in the Lecture Hall and volunteers will be available to answer questions. Please give! You never know when someone you love might need the "gift of life"!

THANK YOU! - Special thanks from this office go to Judith Hensel for her work in providing us with the movie "Something Beautiful for God", the story of Mother Teresa. It was a truly inspirational story and all of us in attendance thank you for getting it.

Jubilee! - Circle April 28 on your calendar, not only for the Blood Mobile, but for the celebration of the 25th anniversary of ordination for Fathers Ryan and O'Brien. A special Mass will be offered at 4 p.m. at Chalon, followed by a reception in their honor. Plan to attend to give thanks!

THIS IS IT!! Siena Day is here!! This Friday at Chalon 9:30-11:30 am with a picnic lunch to follow for all of those who want to attend (All morning classes cancelled on both campuses.) And for all of you who don't want to wait until Friday for a picnic, don't forget the sack lunch on Wednesday, April 21 at 12:45 pm. I'm baking some great goodies so please come. Now, as promised, the last 4 ways to tell if a women's college is right for you...

3. Dual-degree programs.

Science, engineering and business and increasingly popular career choices for students at women's colleges. One reason--there are more dual-degree programs that offer two undergraduate degrees or an undergraduate and a graduate degree in five years. Students who major in math or science for three years at Georgia's Spelman College, for example, can then study any of the ten traditional engineering areas that are offered by the Georgia Institute of Technology. Students earn a bachelor's degree of science from Spelman and a bachelor's or a master's degree in engineering from GIT. At least twelve women's colleges have dual-degree programs for those who want an M.B.A. Such five year programs are real inflation-fighters, since you can save yourself a year of tuition as well as room and board costs.

4. Programs for part-time students.

Ninety percent of women's colleges have degree programs for part-time students, including weekend classes, external degree programs and formal continuing education programs. At the College of Notre Dame in Maryland, for example, students have the option of taking courses with returning students like themselves. The classes meet once a week and are taught by specially selected faculty members who want to work with adult students. The courses can be taken for credit toward a degree program or audited at a reduced tuition rate. Students do not have to go through a formal admissions process to try out the program.

5. More opportunities to get involved in extracurricular and academic activities.

Not only are all leadership positions filled by women, but also you can be more active in all phases of club life at women's colleges. Women's colleges offer the opportunity for all students to participate in technical areas--jobs that men have traditionally volunteered for, such as the lighting crew of a dramatic production. Many women's-college advocates feel that the more opportunities there are for women to work and play together, the more self-confidence they can develop. Several studies have found that women are more likely to be verbally aggressive and seek positions of leadership if they are not competing with women for the attention of men. It is more likely, too, that a student will work as a laboratory, teaching or research assistant at a women's college--positions that are more often held by men at coeducational institutions.

6. Funding for competitive and non-competitive athletics.

While a women's college is not the best place to go if you are a top athlete (few offer scholarships), it is a good place to be if you simply enjoy being involved in sports. Three times as much money is being spent on intercollegiate programs now as in 1972, and more and more women are trying out for such sports as basketball, field hockey and crew. Almost 90 percent of women's colleges sponsor intercollegiate sports, and 70 percent have intramural competition as well.

ADDED THANKS TO ALL THE DELTAS who have spent many hours this academic year in service as the official hostesses of the Doheny Campus. The hours you have spent serving, smiling, answering questions, leading tours, etc., have been very much appreciated by all of us. To those second-year Deltas, "Thanks and Good Luck!" To those first-year Deltas, "We'll see you next year!"

As the school year comes to an end, I want to take this opportunity to thank each of you at Doheny -- students, faculty, and staff -- for your support during this past year. As a newcomer to the Office, I was not sure what to expect, but so many good things happened, so many lessons were learned, and so many neat people "dropped in" to my life, that I can really say: "It was a very good year!" Thanks again -- and may it continue in the years ahead!

God bless and keep each of you this summer -- may those who are moving on find happiness in what they do, and may those who are returning find time to rest and enjoy the summer so they come back renewed for the year ahead!

PRESCHOOL MAJORS COMPLETE STUDENT TEACHING

Three students have completed the Preschool Teaching major during the 1981-82 academic year: Maria Calderon, Liz Dominguez, and Susan Van Buren.

Maria completed the program in December '81; Liz and Susan share their comments on their recently completed student teaching experience at Mount St. Mary's Child Development Center.

LIZ DOMINGUEZ

Many are the times
we will teach;
Many are the times
we will be taught.

But only once a child. (from our textbook)

As I started my student teaching I had a very positive feeling -- "Don't worry; everything will be just fine." So Monday morning I walked in smiling and ready to teach. Much to my surprise, my smile slowly turned into a confused frown; but as the days rolled on I became very confident and secure with the help and constructive criticism of many.

The hardest part of my student teaching will be to say goodbye, for I love every single one of the kids as if they were my own.

Teach those you reach
and
Reach those you teach.

SUSAN VAN BUREN

"Are you gonna be my teacher?" "No--you are just playing" were the questions I faced on my first day.

My answers were, "No--I am not playing," and "Yes--I am going to be your teacher." Now it was left up to me to prove these answers to the children as well as to myself.

These past four months have given me a foundation upon which to build. There were moments when my days were icy and gray; however, the children made them cheerful and blue. My student teaching has guided me along the path; now it's up to me to continue down the road. Their questions were answered, and the answers held true . . . for the other day Bobbie said, "Susan, now you're my teacher, huh?" "Yes, Bobbie!"

I've made it so far, and I owe the credit to Mount St. Mary's Child Development Center, to my master teacher, Rebecca, and to all the children -- my inspiration.
